Justin Draper

Technical Lead and CEO at Delivering To You LLC
Kenton

Summary

I'm a big thinker who loves working with people and the challenges of making a successful business and work environment. I am currently working as a Mobile Web and App Developer, Virtual Assistant, Magician, Hypnotist, and Emcee. I have provided DJ services for corporate events, festivals, weddings, and many other events. As a Magician I have performed at award shows, festivals, and corporate events. I have been active in my local Acting group The Hardin County Players where I have done technical work for 13 theatrical productions and acted in 4 of those plays. Web and App development of Over 2 dozen professional websites and apps. As Technical Support for Sporcle Live I assisted Trivia hosts nationwide with technology issues and support.

Specialties: Website Coding, Entertainment, Personality, DJ, Magician, Hypnotist, Theatre Acting, Photography, Web Design, Sound Design and Production, Lighting Design and Production
